Setting out and arriving, beginning and ending, leaving and returning - so much to sing about in the music of many places and many times. Songs in many styles: folk, pop and show tunes, ballads and anthems, rounds and part-songs, composed for children, borrowed from grown-ups...

The programme, chosen to suit the age-ranges within the group, is rehearsed and performed for guests, friends and family.

Enthusiastic song-leaders and a DBS checked team draw on the experiences of fifteen years of Voices Workshops to provide an opportunity open to all young singers to enjoy two days of top-grade music-making.

Come along and get on board!
