

Journeys have beginnings as well as endings, and we shall be singing of both. **Lord of the Rings** and the voyage of the **Mayflower** are two possible sources but we'll draw on music from many places and many times in a variety of styles - folk, pop, show tune, ballad and anthem, round and part-song, composed for children, borrowed from grown-ups...

Experienced song leaders Sarah Skinner, Polina Sosnina and John Weeks are at the helm for the Main two-day Course for 6-18 yrs olds. We aim to provide an enjoyable and satisfying experience for first timers and more experienced singers alike. We shall perform some numbers together but also break into smaller groups so that songs are well matched across the age range. Additionally, on Tuesday 9th, 4.15 – 5.45, we have our popular mixed voices harmony session for older singers (15yrs+) who will also perform in the concert.

Fully supervised by a DBS validated team, the course runs from 9.30-3.45 on Tuesday 9th August and 1.30-8.15 (with concert at 7.15) on Wednesday 10th August.

Thanks to generous support from the D'Oyly Carte Charitable Trust, Thetford Town Council and Cynthia Della Hoy's Croxton Charity, fees are £10 for the Main Course and £3 for the Senior Session.
