Children's Success Outside of School

We love to celebrate our children's interests and achievements both inside and outside school. If your child plays for a sports team, is doing well with an instrument, or has achieved something that is special to them, do let us know so that we can say 'Well done' too!

Celebrating Pupil's Success

Caterpillar Class

This week in Caterpillar Class we have carried out some activities related to Remembrance Day. We used our fine motor skills to place items on the poppies, made our own poppy out of a cake case and enjoyed some poppy painting.

Firefly Class

Write a small paragraph about each stage of a volcano's life.

1 Pressure builds up inside the earth.

2 This then affects the earth crust so that magma can sometimes erupt.

3 The lava and ash that are erupted through the crust build up to form the classic volcano cone shape over time.

4 This is happening all the time!

Key words: magma, pressure, lava, eruption

10. Volcanoes

Friends of Parkers Primary School

Emma a member of the Parker's friend's group is currently working on developing the school's wildlife area. She would love to welcome further volunteers to work alongside her. If you are able to spare some time on a Friday afternoon or one weekend to develop the wildlife area, please get in touch with Emma via the school office. If you are volunteering during the school day you will need to complete the school's volunteer's procedures including a DBS.

Emma is also asking for donations for the wildlife area. She would welcome donations of woodchip, compost, seeds and bulbs, tools and solar powered lights. If you are able to donate any of the item's please speak to the office.

Thank you for supporting FOPPS

Kind Regards

Mrs Sarah Disney
