### Parents Evening

Parents Evening is taking place on Tuesday 21<sup>st</sup> and Thursday 23<sup>rd</sup> February, appointments will be available to book through Pupil Asset next week. If you have any problems with this, please contact the office.

### Toys

More and more children are bringing toys to school with them. Please could children leave their toys at home. They are a distraction in class and can also cause upset between the children, we would not want any of the toys to get lost or accidentally broken.

### Celebrating Pupil's Success Caterpillar Class

This week both Caterpillar and Dragonfly Year 6 children got together to plant in the outside area. The Dragonfly children had been dissecting plants in science and wanted a place to plant them. They came into Caterpillar class and supported the children, planting them into the flower beds. The children worked really well together and thoroughly enjoyed their time together. So much so, they wanted to read to the children and sit with them in collective worship. A great example of our school values. Well done.
