To Write the final draft of my setting narrative

The Animal Journey

At the top of the wonderful waterfall, there is an ancient old house. Inside it is a girl named Bella and she loved animals, also nature. She had a lot of animals including enormous elephants eating grass happily, pink flamingos flapping and pretty goats drinking doily.

One day, the wonderful waterfall was rushing down quickly and it wouldn't stop. But then all of a sudden it made a massive splash and then stopped. It was like a shot drop.

The next day, Bella went outside to check up the animals and to see if the waterfall is calm and it was calm. It was inky-blue. The trees were sweetly scented and the branches were swaying gently and Bella could smell the beautiful flowers.

In the afternoon, the sunset on top of the water was always orangey-red with a touch of yellow, and the horizon was straight with a tip of blue.

CHALLENGE: Find all the nouns in the sentence.

On a beautiful, burning & spring morning,
there was a boy, his name was Torvry - for
he was very small for his age but that didn't
bother him. Torvry lived in a tiny village
near the sunny coast. He loved the blue, peace-
ful sea, the glittering, golden sand and the
tall, lush palm trees, which towered
over the sand, he would watch meticulously
from morning to noon. The exotic beach
was tranquil, peaceful and life-filled, which
would soon change, this was Torvry's happy
place.

One day, while Torvry on the beach, which he was
collecting shells, he saw some rubbish and picked it up.
