Police Update

It is important to remember issues and dangers that speeding and inconsiderate parking outside educational premises can cause for our young children going to and from school.

As you will know Parker's C of E Primary Academy is located at the brow of a blind bend from the direction of Pages Lane this especially lends itself to risk of incident that needs to be reduced.

With your help this can undoubtedly be achieved by working in partnership. This means, with your support as parents, carers, and friends of Parker's Academy, parking sensibly by not parking on blind bends and in Yellow Zig Zags, not parking on top of junctions at drop off and picking up times and importantly reducing speed.

Together we can achieve a better and safer environment for our children.

So, Be: -

- **S**chool Aware
- **T**hink Child
- **R**educe Speed
- **O**nus on Safety
- **P**ark Sensibly

Police will of course monitor and very much hope you are committed in making a real difference.

Those of you already taking these positive **STROP** steps of which there are many, I and Norfolk Constabulary sincerely thank you.
