## Celebrating Ofsted

---

We are thrilled to be able to share with you all the outcome of our recent Ofsted inspection. This was our first, which may seem odd to many of you but when Parkers became an Academy and joined DNEAT in 2020 we effectively started afresh so, as a new school we have been anticipating this inaugural inspection.

Some of the team had seen inspections before and for others it was a new experience, just weeks into a new career. All the more reason why I am so very proud that we have been judged 'GOOD' in all areas.

The inspectors recognised our *"Teachers' subject knowledge is strong"* and gave credit for how *"Pupils enjoy coming to school"*. They praised the curriculum as *"balanced and ambitious curriculum"* and the children for *"They love to celebrate each other's achievements"*.

A hard copy of the report came home yesterday with the children and it is available to read on our website now. My thanks to everyone across the school community – staff, children, families, governors, volunteers and other supporters – for your ongoing support. It really is valued and makes all the difference.

Best wishes,

Mrs Disney
