Head of School

Mrs Carla Lansdell

16th September 2024

Dear Parents/Carers,

We seem to be experiencing some cases of head lice. Can we please ask parents to check their child's hair using the appropriate fine-toothed comb. The best way of limiting the incidence of head lice is, as always, regular weekly checks at home and we would ask that all parents continue to follow this routine. If you do detect live lice in your child's hair, treatment is available free of charge from your family doctor. Please also remember that treatment may be required for other family members.

We would also remind parents that school staff are not able to check children's hair; this is a parental responsibility.

Kind Regards

Mrs S Disney

Parker's C of E Primary Academy

*Ask... and it will be given to you;
Seek... and you will find.
Knock... and the door will be opened to you.*
