Newsletter

Macmillan Coffee Morning

Thank you to everyone who supported the Friend's Committee by donating cakes, coming to the Macmillan Coffee morning or by purchasing cakes after school. A fantastic £153.09 was raised on the day.

Online Safety

During computing lessons, we teach children about how to keep themselves safe online and what to do if something happens that worries them. Over the coming weeks, I will be adding information posters about online games and websites that children may use to the schools website. Please take a look at these posters, as they provide information for parents regarding key facts you need to know about the games/websites and gives top tips to keep your children safe online.

If your child has a device (PlayStation, X-Box, tablet, mobile phone or laptop) you can make an appointment in an O2 shop and they will help you to set up parental controls. They also offer parental workshops on keeping your children safe online. Please do take a look at the website below for more information <https://www.nspcc.org.uk/what-we-do/about-us/partners/nspcc-o2-online-safety-partnership/>

Open Days

We will be holding an open day for 2020's reception intake on Monday 4th November (1:30pm until 3:00pm). If you are unable to make this date, please contact the school office to arrange an alternative date.

Reading

Alongside today's newsletter, I am also sending home a leaflet explaining the importance of children reading at home and the benefits that this can have on their education, vocabulary and understanding of other cultures. It is the expectation of the school that children will read at least 3 times a week at home. Each class has a reward chart to reward those pupils who do this.

Kind regards

Mrs Disney
