Permission slips

Please can you make sure that all permission slips are returned back to school promptly. Mrs Machell has had to chase lots of permission slips for sports competitions recently. If your child doesn't want to attend a competition that they are picked for please let us know as soon as possible so that their space can be offered to another child.

Parent Governor

You will have received a letter today about the schools vacancy for a parent governor. Being a governor is a "hands off" role - decisions made by the governing body influence the whole school, but governors are not responsible for, or involved in, the day-to-day running of the school. Governors set the ethos of the school and drive for continuous improvement, and they also oversee financial performance and ensure money is well-spent. If you think that this is a role you would like to do please see the school office for more information.

Clubs

At our recent meet and greet it was brought to our attention that some parents would like to see additional clubs being offered. Whilst we cannot guarantee that we can provide all clubs that are suggested we would like to gather your thoughts on what you and your children would like to have on offer and how much you would be willing to pay for a club. Please could you complete the suggestion form by Friday 1st November.

Kind regards

Mrs Disney
