Parker's CE VC Primary School **17th January 2020** Newsletter

Handwriting and presentation

One of the schools current focuses is to improve pupil's handwriting and presentation in all areas of the curriculum. I have been really pleased with the enthusiasm some children have already shown to achieving this over the last week. We would be grateful if you could support the school in improving handwriting and presentation by encouraging and reminding your child/ren to think carefully about their handwriting and presentation when they complete homework.

Thursday the 23rd January is 'National Handwriting Day' in order to promote this in school we will be running a whole school handwriting competition where a child from each class could win a prize. More information will be available from each class teacher.

Safeguarding

I wanted to take this opportunity to remind parents and carers that the senior designated person at Parker's Primary school is myself and in my absence Miss Cooper is the alternative designated safeguarding person. If you have concerns about any child at Parker's Primary school please contact either myself or Miss Cooper.

Online Safety

On the school website there are various parents' guides for online games that your children may play or express an interest in playing. These guides provide a synopsis of the game and further advice for parents.

Mobile Phones

Please do not use your mobile phone whilst on school premises. If you are seen using your phone staff will politely ask you to leave the premises to continue your call.

Kind Regards

Mrs Disney
