Science and Engineering Week

This week each class has been taking part in science and engineering week. On Tuesday Mr Baker very kindly gave up his time, to work with each class in the school, carrying out DNA experiments with them. This was a wonderful opportunity for the pupils to see what a scientist does. The children really enjoyed this experience and were inspired by the opportunity he provided. Thank you Mr Baker for coming into work with us.

Tesco's 'Bags for Help'

The Friend's committee have successfully placed a bid for the school to be part of the Tesco 'Bags for Help' scheme. Starting in April, in Watton Tesco, Parker's primary school will be one of the three charities that you can vote for. Please support the school by placing your tokens when you shop in the Parker's school box.

Phonics Support

Oxford Owl have produced a fantastic phonics parent's guide. On the website they explain what phonics is, how you can help your child learn phonics at home and there is an audio guide explaining how to pronounce each of the sounds.

Choir

Well done to the choir who took part in the Norfolk Music Festival on Wednesday. They were highly commended for their performance. Thank you to Mrs Cross for giving up her time to run the choir and to the volunteers to accompanied them. Also thank you to Mrs Grover for playing the piano during the rehearsals and Wednesday's performance.

Crucial Crew

On Tuesday the Year 6 pupils attended Crucial Crew. During the afternoon they got to learn how to keep themselves and others safe including how to perform CPR and the recovery position. Thank you to the organisers and volunteers who put on this important opportunity.

Class Photos

Class photos will be taking place on Monday 16th March in the afternoon.

Kind Regards

"God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another." 1 Peter 4:10
