Covid-19 Online/Blended Learning Contingency Plan

Bended Learning Plan (When a child/staff member is isolating either whilst awaiting test results or due to needing to isolate due to contact with someone who has tested positive for Covid-19)

<p>If a pupil/s is isolating at home whilst the rest of the class are still at school and is well enough to continue with school work remotely.</p>	<ul style="list-style-type: none"> • Work will be provided from day two of a child’s absence • Work will be sent home via email and using the app SeeSaw • Work will be returned to school using the SeeSaw app. Staff will then provide feedback on the work through SeeSaw. • If parents do not have access to a computer/device we will aim to loan a school laptop (not a new one) • If parents do not have internet access or this is limited then a paper pack of work will be delivered to the home address. • Staff will upload to SeeSaw/send via email any teaching PowerPoints/links to videos that they are using at school • Work will be provided for all subjects where it is possible for this to be completed remotely at home (English, Maths, Science, History/Geography, RSHE, RE, Art/DT, Computing, Music, PE) <p>Work may be set if needed using the following sources should it not be possible to provide suitable resources that are being used in school:</p> <ul style="list-style-type: none"> ➤ White Rose Maths including teaching videos ➤ Twinkl ➤ Literacy Shed ➤ Classroom Secrets ➤ Oak National Academy ➤ Letter and Sounds Home for School- online phonics lessons
<p>If a teacher is isolating at home whilst the rest of the class are still at school and is well enough to continue with school work remotely.</p>	<ul style="list-style-type: none"> • Teacher to provide work and resources for someone else to potentially deliver in school • Teacher to deliver teaching content to the class remotely from home (if possible e.g. child care arrangements) via a secure password protected Zoom link whilst a member of staff supervises the children in school • In some incidents it may be suitable for the work to be set via SeeSaw and for pupils to complete online (using school laptops) and the teacher to provide direct feedback as pupils complete tasks. <p>Work may be set if needed using the following sources should it not be possible to provide suitable resources/experienced staff in that particular area:</p> <ul style="list-style-type: none"> ➤ White Rose Maths including teaching videos ➤ Twinkl ➤ Literacy Shed ➤ Classroom Secrets ➤ Oak National Academy ➤ Letter and Sounds Home for School- online phonics lessons <p>Once it has been agreed who will be covering the class and whether the staff member is able to remotely deliver lessons decisions will be made on which of the above remote methods will be used.</p>

“God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another.” 1 Peter 4:10

Remote Learning Plan (When a class/whole school due to contact with someone who has tested positive for Covid-19 or due to a local lock down)

<p>If a class/whole school is isolating or there has been a local lock down and pupils/staff are well enough to continue with school work remotely.</p>	<ul style="list-style-type: none"> • Work will be sent home via email and using the app SeeSaw • Work will be returned to school using the SeeSaw app. Staff will then provide feedback on the work through SeeSaw. • If parents do not have access to a computer/device we will aim to loan a school laptop (not a new one) • If parents do not have internet access or this is limited then a paper pack of work will be delivered to the home address. • Staff will upload to SeeSaw/send via email any teaching PowerPoints/links to videos that they are using at school • Teacher to deliver teaching content to the class remotely from home (if possible e.g. child care arrangements) via Google Classroom/SeeSaw. Staff will not be delivering complete lessons but will be providing the teaching input/explanation ready for the pupils to then complete the work. If it is not possible for teachers to provide a live feed which enables them to answer questions and check understanding etc they may instead record short teaching sessions that they then upload on to SeeSaw for pupils to watch • Work will be provided for all subjects where it is possible for this to be completed remotely at home (English, Maths, Science, History/Geography, RSHE, RE, Art/DT, Computing, Music, PE). Where it is not possible to continue a subject remotely without having to deviate away from the long/medium term plan work will be blocked so that subjects, where it is not possible to teach remotely, are picked up again on return to school. These will be taught in a block so as to ensure a wide and balanced curriculum is covered over the course of the year. This may mean that some subjects are not covered remotely and that whilst children are not in school they spend longer studying some subjects than others e.g. they cover history but not music. <p>Work may be set if needed using the following sources should it not be possible to provide suitable resources that are being used in school:</p> <ul style="list-style-type: none"> • White Rose Maths including teaching videos • Twinkl • Literacy Shed • Classroom Secrets • Oak National Academy • Letter and Sounds Home for School- online phonics lessons
<p>If a class/whole school is isolating or there has been a local lock down and staff are not well enough to continue with school work remotely.</p>	<ul style="list-style-type: none"> • Executive head teacher to see if partner year group teacher at federated school is able to provide work (they will not be expected to do any work above and beyond what they would be doing for their own class) • If the above is not possible then the executive head teacher using the long term plans/ schemes of work that the school buys into will set the work for the pupils • If both of the above are not possible work will be set for pupils using: <ul style="list-style-type: none"> ➢ Twinkl ➢ Oak National Academy ➢ White Rose Remote Learning Resources ➢ Classroom Secrets ➢ Letters and Sounds Home for School- online phonics lessons • Feedback on pupils work will be provided when the staff member is well enough to provide this

Further guidance available in the remote learning policy.

“God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another.” 1 Peter 4:10
