28th January 2021

Dear Parents/Carers

Home Learning

Starting on Monday, we will be trialling for the week, class teachers being available on Google Meet at a given time on an afternoon for children to log on and ask for support regarding parts of their work they have found difficult. Children can log on to the Google classroom meet to ask their teacher about a question they might not have understood or something they have got wrong and they do not understand why. Pupils do not have to attend these afternoon sessions. If your child does need to log on to ask for support from their teacher please make sure that they know what they need support with or which question they are struggling with. If other children are also waiting for support, they may have to wait a few minutes for their turn to speak to their class teacher. We will continue to mark and respond to children's work through SeeSaw as well as trialling this approach as a method for children to have support from their class teacher.

Please find a table below of when each class teacher will be available online.

	Available on Google Classroom Meet
Mrs Lansdell	12pm-12:30pm
Mrs Burley/Mrs Mortimer	1pm-1:30pm
Miss Okoro	1pm-1:30pm
Miss Cooper	2pm-2:30pm

At the end of next week, I will review how this has gone with class teachers and let you know if this is something we are going to be continuing.

Thank you for your continued support.

Kind regards

Mrs Sarah Disney
