SATS Week

Well done to the Year 2 pupils for their positive attitude this week and trying their very best with their SATs. Thank you to all the staff who have supported the Year 2 pupils this week and in preparing for their SATs.

Flourishing Families

The Flourishing Families tool has been designed for families who might want a little extra help meeting their child's needs. We know that parenting can sometimes feel overwhelming but we all share the common goal to give children the best start in life.

There are all sorts of things that you can get help with, whether it's healthy eating, fun activities or financial support, and this tool was developed to help you work out what you're already doing well and help you find support when and if you need it.
