## Parker's is 180 years old

---

Parker's is 180 years old this year. We would love to celebrate this special birthday. If you have any ideas on what we could do or know any locals who would be willing to come in and talk to the children about what the school was like when they attended Parker's, please get in touch.

## NSPCC

---

The NSPCC website has lots of great resources for teaching young children about their private parts and keeping themselves safe. Please find below a link to the website and the resources. We use the resources in school to support the work that we do on this area as part of our rshe lessons. <https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/pants-underwear-rule/>

## Work from this week

Wednesday 14th May 2025  
LO To write an opening

Once upon a time there was a girl called Lilly who lived with her Mum her dad and her boy Alben. Lilly always wanted to go out to sea but she could not because of a scary stupid what can rip a ship to pieces every time she asks her Mum stops here.

One day she snuck on her mummy's sunscreen wand and sailed to the crazy stupid cave and crashed into a sharp rock and the stupid saved her from getting hurt and she was safe at home with her Mum and Dad.

Butterfly Class have been writing Sea Adventure stories.

LO To write an opening

Once there lived

1. Once a long time there lived a boy called Jaxon who is funny happy and loud.  
2. He wanted to go to the scary mountain.  
3. The speedboat broke and he fell into black rock friends Red Rock.  
4. Jaxon fell in the water. Luckily Red Rock saved Jaxon and they lived happily after the end.
