Work from this week

In Caterpillars and Ladybirds our book of the week has been about pirates. We used salt dough to make our own stars and painted these with acrylics.

During RE week Butterfly Class have been using their senses to explore a Hindu worship called a Puja.

School Council

The School Council, with help from Mrs Lansdell, is thrilled to launch Parkers Got Talent, a chance for our Butterflies, Fireflies, and Dragonflies to shine.

Auditions will be held on **Friday 10th June in Caterpillar Class**, so start practising those amazing talents. The grand show will follow on **Friday 10th July**, where one star performer will take home a trophy, and every child will receive a special something for taking part.

Let the talent sparkle.

Work from this week

In English, Dragonfly Class have been actively discussing the Woodcutter's dilemma from Hansel and Gretel; should he leave his children in the woods to ensure his own survival?

Big Norfolk Holiday Fun

Here's what some parents and carers have to say...

"It has given my child more confidence to be away from me and try new things without my supervision."

"BNHF gave my child something to do outside of home, and he learnt new skills he would otherwise not have the chance to learn, so I'm very grateful for that,"

"My boy has had the best time. His days are filled with happiness and random laughter, he's getting the stimulation he needs in the holidays,"

"BNHF enables my daughter to make new friends, be a child not a carer, and have more fun during the holiday instead of being at home."

"It helps me have time to work as I'm self employed and gives my daughter new experiences,"
