Dear Parents/Carers

As we near the end of the Summer Term I know that you will all be keen to know what will be happening in September in regards to how the school will be operating, whether we will be able to provide wrap around care and the timetable for the school day.

Whilst the Government has published it's guidance for re-opening in September we are still awaiting for further guidance from Norfolk County Council on this. There are a number of questions that we have as a school and we are awaiting for the answers to these alongside Norfolk County Council's guidance before we publish any plans. I am hopeful that by the middle of next week we will be able to provide all the information many of you are keen to know in order to plan your own work arrangements.

Thank you once again for working with us during this difficult period. Should you have any further questions please do not hesitate to contact the office via email. They will then pass this on to a member of staff who will be able to answer these questions for you.

Kind Regards

Mrs Disney
