4th December 2020

Dear Parents/Carers

Christmas Events

During the last two weeks of term, each class will get the opportunity to watch a pre-recorded pantomime that the school have purchased. Whilst I know, it is not the same as seeing a live performance but hopefully the children will enjoy getting to join in with Dick Whittington on the screen in the classroom.

Positive case of Covid-19 over the Christmas break

If a child or member of staff who has been in school tests positive for Covid-19 on either Saturday 19th, Sunday 20th or Monday 21st December this **must** be reported to the school so that we are able to identify the affected class and staff. If we are notified of a positive case on either of these days, we will notify you of the need for the children/staff to self-isolate via email. After the 21st December, the school **do not** need to be identified of a positive case. If your child tests positive for Covid-19 in the above timespan please email office@caston.norfolk.sch.uk (please note the phones will not be manned on this date and only emails related to a positive Covid-19 case will be dealt with. Please **do not** email office@parkers.norfolk.sch.uk as this email account **will not** be checked).

Winter weather

As today has shown the weather is now starting to turn. Please could you ensure that your children come to school with a coat. As we have to continue to use the school field throughout the winter months due to children having to keep separate from other classes please can we ask that every child come to school with a pair of wellies.
