26<sup>th</sup> February 2021

Dear Parents/Carers

### Su-Bridge

A few weeks ago I was contact by Su-Bridge Pet Supplies in Saham Toney as they wanted to give something back to their local community. Very kindly they donated unwanted computers to the federation for us to give to those families in need of one. They have also donated for 4 brand new I-Pads for the school. We are incredibly grateful for their donation.

### Science and Engineering Week

The week commencing the 8<sup>th</sup> March is science and engineering week. Miss Okoro our science lead has arranged for the pupils to take part in a virtual science show.

### Homework and spellings

Homework and spellings will be set on SeeSaw from now on. We have made this decision as it will help us to continue to reduce the amount of paper we are using as a school. It will also mean that children will be able to access their work at all times and there isn't the risk of them losing it or forgetting to bring it home. If you are unable to access SeeSaw please contact the school office so that we can look at alternative arrangements for your child/ren.

Kind regards

Mrs Sarah Disney
