Dear Parents/Carers

Turn on Subtitles

Research has shown that turning on the subtitles while children are watching television can **double** the chances of a child becoming good at reading. Make TV time, reading time. View a short message from Stephen Fry <https://www.youtube.com/watch?v=l-zISnJ-oao>

Online Safety

On the school website we have various guides to online safety for computers, phones, tablets and games consoles. These have recently been updated. New guides are going on today regarding setting up emergency procedures on Iphone, Samsung and Google phones. View all guides by clicking below

RSHE Consultation

There is a letter coming out today regarding an RSHE Consultation. All feedback to be received via the online form by Thursday 25th March. All comments and questions gratefully received.

Mobile Phones

Reminder for parents/carers that mobile phones should not be used on school site.

Reading

We are extremely proud of the children for their reading during lockdown. Lots of them will be receiving prizes for this next week as they have completed steps on the reading chart.

Cars

When you are dropping off or collecting your child/ren and are sitting in your car please do not leave the engine running. The fumes are not good for the children as they queue up at the gate or as they come out of school and walk past.

Kind Regards

Mrs Sarah Disney
